

## Application for Animal Breeder Approval

*Local Law No. 1 (Administration) 2011*

*Local Law No. 2 (Animal Management) 2011 and Animal Management (Cats and Dogs) Act 2008*

### IMPORTANT INFORMATION

- Approval is required if a person intends to, allows, or encourages a breeding dog to breed with another entire dog (or a breeding cat to breed with another entire cat).
- At the time of lodging an application, **ALL** mandatory documentation must be supplied.
- Dogs must be registered with Fraser Coast Regional Council.
- Owner of a female breeding dog must have a Breeder Identification Number from the Department of Agriculture and Fisheries.  
*Note: BIN numbers are used for the purpose of tracking offspring. Dogs QLD Member Number will be accepted in lieu of a BIN number.*
- Animal owners who are registered breeders in another Council or from interstate (current approved breeder) need to meet the above requirements.

#### Additional Notes:

*If the property exceeds the number of allowed animals, an "Application for Approval to keep an Additional Dog or Cat" is required. Application form to be lodged separately and fees apply.*

*If breeder moves address within the region and they have more than the allowed number of animals; a NEW additional animal permit must be lodged as additional animal permits are not transferrable to another property, with neighbour consent required.*

*If animal is registered for the first time in the FCRC region (Registration form to be completed), they will be registered free of charge for the current registration period only. Relevant registration renewal fees will apply thereafter.*

*For animals that are currently registered, the relevant registration renewal fee will apply at the next registration period.*

*Council does not provide refunds of registration fees that relate to animals removed from a breeder's permit. The relevant registration renewal fee will apply at the next registration period.*

### MANDATORY DOCUMENTS OR MATERIALS REQUIRED FOR NEW APPLICATION OR REPLACEMENT ANIMAL

#### Vaccination Certificate

Signed copy of veterinary surgeon's certificate confirming the breeding animal has been vaccinated

#### Veterinary Approval

Written approval by a veterinary surgeon that the animal has been examined by the veterinary surgeon, and the veterinary surgeon reasonably considers the dog is ready for breeding.

#### Microchip Number (PPID number)

OR signed veterinary surgeon's certificate for the breeding animal stating that implanting it with a PPID is likely to be a serious risk to the health of the breeding animal.

#### Breeder Identification Number (BIN) (mandatory for female dogs)

BIN # \_\_\_\_\_

- Dogs QLD Member Number will be accepted in lieu of a BIN number.*
