

Regulatory Compliance Search Application Form - 2024/2025

PURPOSE OF FORM: This form will be used to process your request for a Regulatory Compliance Search of a premises with an existing licence or approval with Council's Environmental Health Section.

IMPORTANT INFORMATION

- Regulatory Compliance Searches only apply to premises with an existing approval or licence with Council's Environmental Health Section. Advice in the form of a Search Report will not be provided for any proposed future use of the premises. This is the subject of a new business application.
- A Regulatory Compliance Search is recommended for any person who is proposing to purchase an existing business activity with a licence or approval under State legislation or Council's Local Law that is regulated by Council's Environmental Health Section. Failure to make an informed choice before purchase may result in you accepting responsibility for any outstanding requisitions or otherwise bringing the business activity into compliance with all relevant legislative requirements.
- Signed Vendor's Authorisation is required prior to this application being processed.
- A Regulatory Compliance Search does not apply to approvals required with other Council Departments such as plumbing, building, or land-use approvals. For further advice about plumbing, building or land-use requirements, please contact **1300 79 49 29**. Fees and charges may apply.
- A Regulatory Compliance Search does not apply to any ancillary activities that require an approval under a Local Law (e.g. Temporary Advertising Devices, Footpath Dining/Parklet, Displaying Goods for Sale on Footpaths etc.). Upon purchasing any existing business for which these additional approvals are held, should you wish to continue to conduct the activity/s, please complete and return to Council the relevant application form/s to transfer the approval/s into your name. Fees and charges apply.
