Road Reconstruction—Part of Pleasant View Road

PROJECT:

This project provides for the reconstruction of approximately 122m of Pleasant View Road, Yengarie.

The works include the construction of an 18m long concrete causeway including scour protection and the reconstruction of the concrete invert and driveway to Lot 7 RP163819.

PROJECT ESTIMATE:

\$250,000

PROJECT SCOPE OF WORKS

The Project scope is as follows:

- Earthworks
- Road pavement works
- Concrete causeway
- Reconstruction of concrete invert and driveway at Lot 7 RP163819
- Vegetation removal
- Installation of flood markers, guide posts and signage
- Topdressing and turfing of disturbed areas

The traffic management plan that will be put in place for the duration of the construction period will be developed prior to works commencing.
