

(Coral Street to King Street)

PROJECT:

This project provides for the widening of Pier Street, Urangan from Coral Street to King Street. Works include the construction of edge restraint, kerb and channel and an upgrade of stormwater drainage structures.

PROJECT ESTIMATE:

\$270,000

PROJECT SCOPE OF WORKS:

- New kerb and channel
- New kerb/edge restraint
- New stormwater drainage pipe and pit
- New table drain
- Bank batter works
- New rural property accesses
- New pavement, concrete & asphalt surfacing
- Vegetation works
- Topsoiling and turfing

The traffic management plan that will be put in place for the duration of the construction period will be developed prior to works commencing.
