

Pavement Replacement — Thornbill Drive, Eli Waters

PROJECT:

This project provides for pavement replacement works in Thornbill Drive, Eli Waters.

PROJECT ESTIMATE:

\$550,000 (this project is partly funded through the Australian Government's Roads to Recovery Program)

PROJECT SCOPE OF WORKS

The Project scope is as follows:

- Earthworks
- Road pavement works
- Subsoil drainage
- Sectional kerb and channel replacement (100m only to be replaced between Ch241m to Ch341m)
- Bitumen sealing
- New vehicle crossovers (11 properties only where kerb and channel replacement is occurring i.e. between Ch241m to Ch341m)
- Linemarking
- Topdressing and turfing of disturbed areas

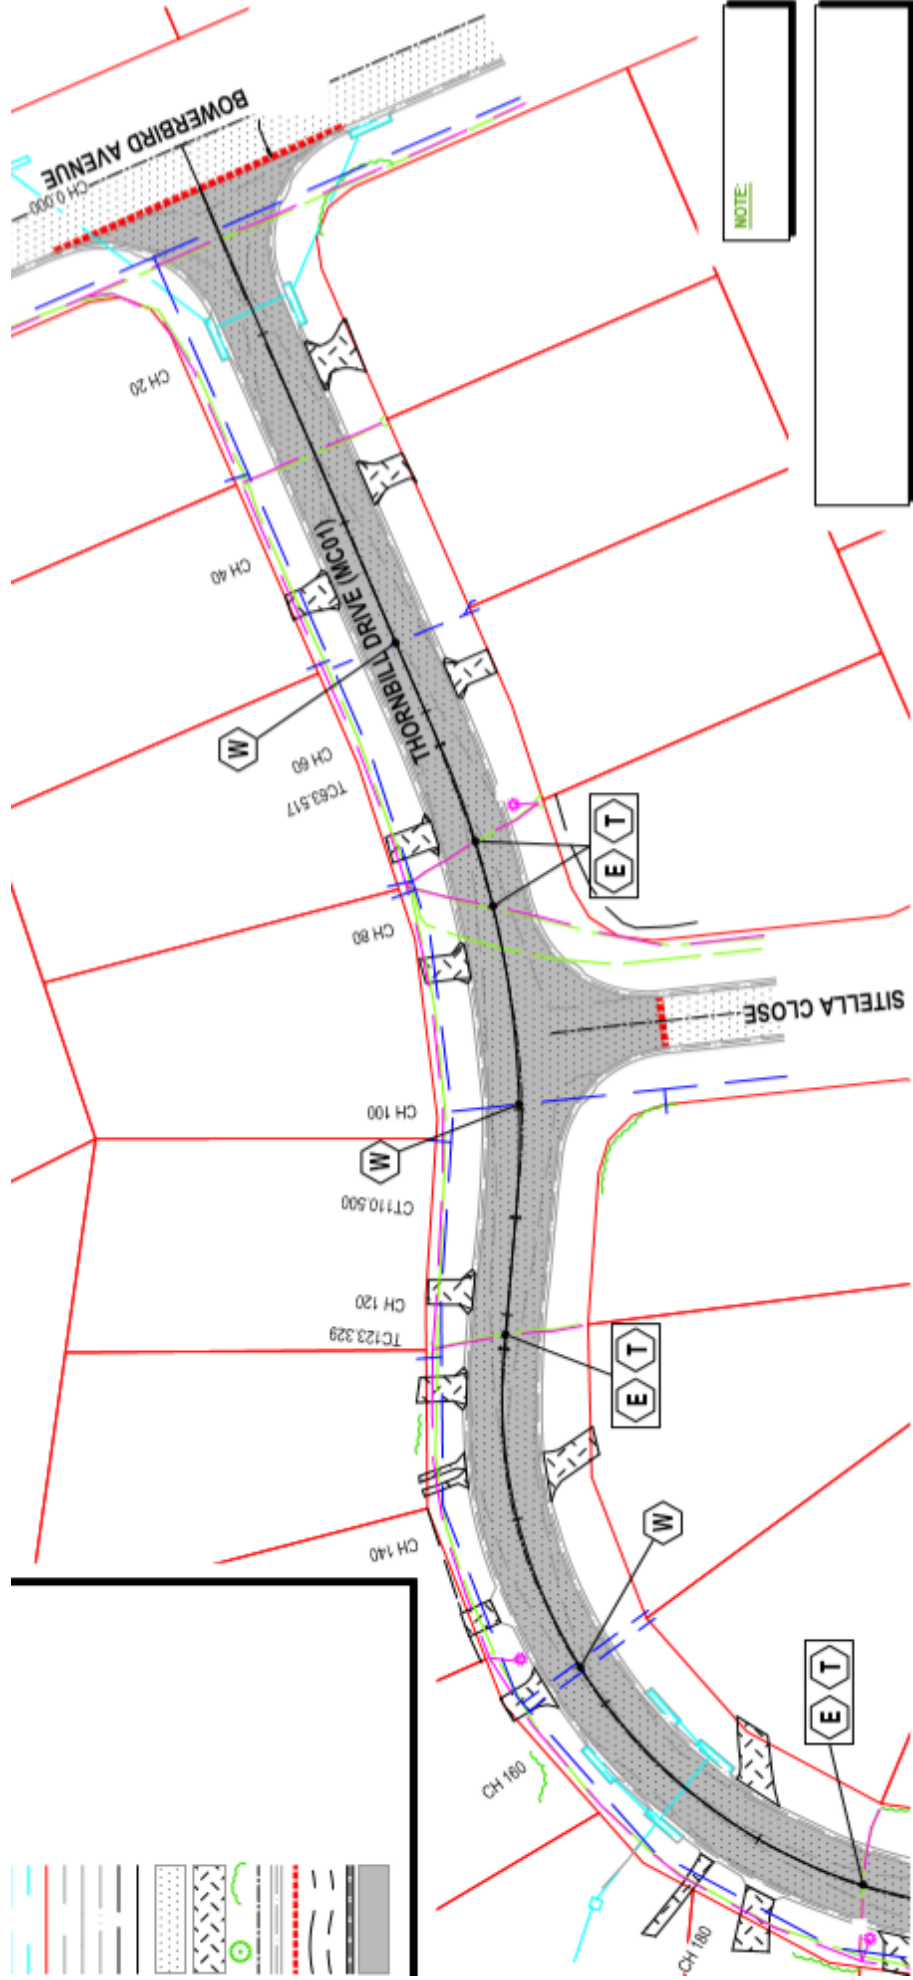

The traffic management plan that will be put in place for the duration of the construction period will be developed prior to works commencing.
