

## Table Drain Reformation — Pleasant Street (Ann to Queen Sts)

### PROJECT:

This project provides for the reformation of a short length of the table drain on the eastern side of Pleasant Street from Ann Street to 53 Pleasant Street.

This project includes the construction of a 600mm wide concrete invert as well as the reinstatement of the driveway crossover at 366 Ann Street.

### PROJECT ESTIMATE:

\$60,000

### PROJECT SCOPE OF WORKS

The Project scope is as follows:

- New concrete invert
- Reinstatement of driveway and culvert crossing
- Vegetation removal
- Topdressing and turfing of disturbed areas

The traffic management plan that will be put in place for the duration of the construction period will be developed prior to works commencing.
