

Kerb and Channel Replacement — Doon Villa Avenue (John Street to Lennox Street)

PROJECT:

This project provides for the replacement of the existing kerb and channel and pavement reinstatement works on both sides of Doon Villa Avenue from John Street to Lennox Street.

PROJECT ESTIMATE:

\$210,000

PROJECT SCOPE OF WORKS:

- Removal and disposal of the existing kerb and channel
- Earthworks and stormwater pit replacements with associated drainage works
- Construction of new kerb and channel and pavement reinstatement
- Reinstatement of driveway crossovers and kerb ramps
- Reinstatement of disturbed verges

The traffic management plan that will be put in place for the duration of the construction period will be developed prior to works commencing.
