Links Corridor Lighting Replacement (Elizabeth Street to Bideford Street)

PROJECT:

This project provides for the replacement of the existing pathway lighting along a 2.6 kilometre section of the shared pathway on the Links Corridor between Elizabeth Street and Bideford Street.

PROJECT ESTIMATE:

\$315,000

PROJECT SCOPE OF WORKS:

- Removal and disposal of all existing lights, foundations and cables
- Supply and installation of new light poles, fittings, cabling and switchgear
- Reinstatement of all existing vegetated areas

The traffic management plan that will be put in place for the duration of the construction period will be developed prior to works commencing.
