

## Bus Stop Upgrades—Maryborough

### PROJECT:

This project provides for the upgrade of seven (7) existing bus stops located in Maryborough on footpaths in the vicinity of the following locations:-

- Alice St, Maryborough
- Bushnell St, Granville
- Gayndah Rd, Maryborough West
- Gympie Rd, Tinana
- Kent St, Maryborough
- Sussex St, Maryborough
- Wilson St, Maryborough

Project locations and specific detail relative to the works to be undertaken at each site is attached.

This project is being completed to ensure that the bus stop stops comply with the Disability Discrimination Act (DDA).

### PROJECT ESTIMATE:

\$170,000 (these projects are funded through the State Government's Bus Stop Shelter Program and partly funded through the Passenger Transport Accessible Infrastructure Program )

### PROJECT SCOPE OF WORKS (Note: Works at each site vary):

- Removal and disposal of existing bus stop foundations and infrastructure
- Replacement, or adding to existing concrete slab
- Installation of DDA compliant bus shelter (6 sites only)

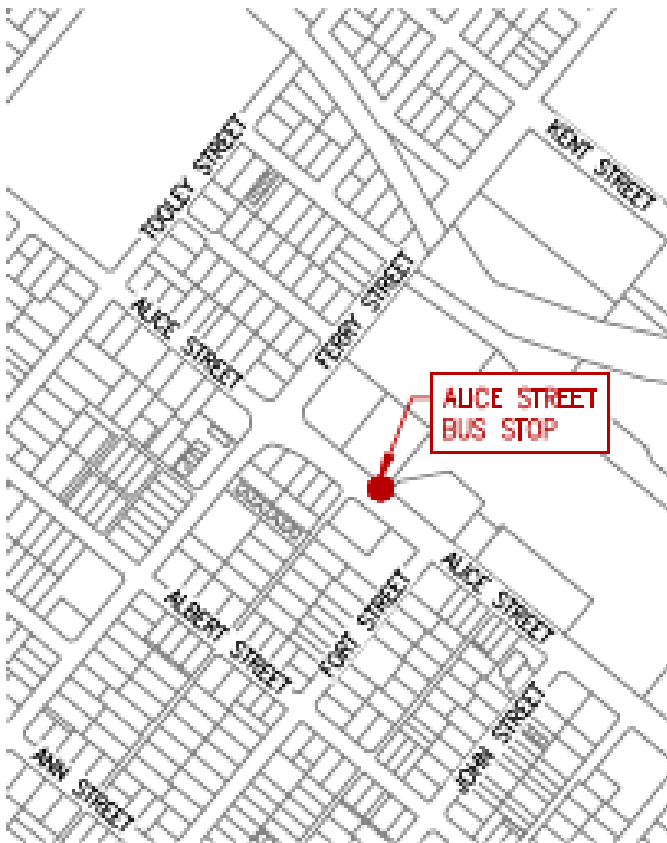

The traffic management plan that will be put in place for the duration of the construction period will be developed prior to works commencing.

### INDICATIVE PROJECT MILESTONES

March 2020	Final Design
April 2020	Tender Period
May /June 2020	Construction Period
June 2020	Project Completion

Note: Project milestones are subject to contract and weather and may change.
