

Footpath Replacement (two sections) — Shared Path/Cycleway — The Esplanade, Hervey Bay

PROJECT:

This project provides for the sectional replacement of the following two areas of footpath totalling approximately 245m within the shared path/cycleway along the Esplanade, Hervey Bay:-

- between Ann and Crown Streets;
- Quota Park between Churchill and Elizabeth Street

This project is being completed following the identification of areas requiring replacement as part of Council's annual footpath inspection programme.

PROJECT ESTIMATE:

\$102,000

PROJECT SCOPE OF WORKS:

- Removal and disposal of existing pavers;
- Excavation and preparation of subgrade;
- Supply and laying of geofabric;
- Supply and placement of compacted gravel base course;
- Supply and placement of concrete edge strips;
- Placement and compaction of new segmental pavers (Principal supplied)

See attached for enlarged site plan detail.

The traffic/pedestrian management plan that will be put in place for the duration of the construction period will be developed prior to works commencing.
