

Upgrade of Main Street, Chapel Road and Maggs Hill Road Intersection

PROJECT:

This project provides for the construction of a roundabout at the Main Street/Chapel Road and Maggs Hill Road intersection.

These works will complete the Stage 3 upgrade works for Main Street and will be delivered in two stages as follows:-

Stage 1: - Relocation of Services including Telstra, Optus and Ergon (undergrounding of power lines) - July-September 2020

Stage 2: - The construction of the new roundabout at the Main Street/Chapel Road and Maggs Hill Road intersection- September 2020-February 2021.

PROJECT ESTIMATE:

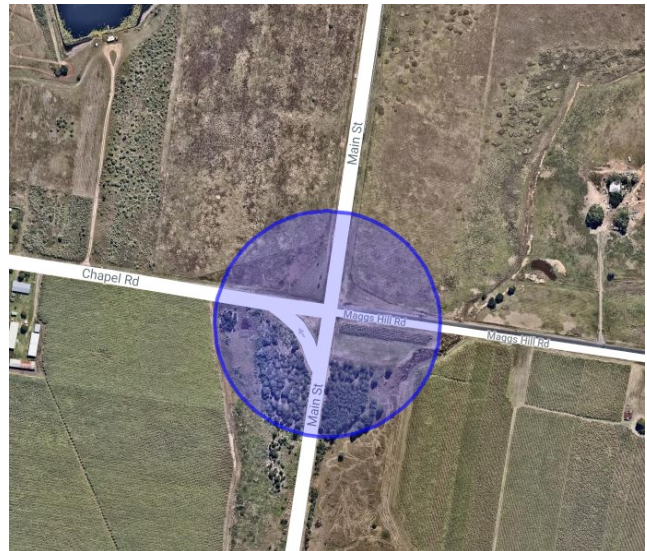

\$855,155 (2019/20) (service relocations)

\$3M (2020/22) (construction of roundabout)

PROJECT SCOPE OF WORKS

The Project scope is as follows:

- Earthworks, Service relocations
- Roundabout and associated pavement works
- Stormwater drainage structures
- Footpaths, topdressing and turfing of affected areas

The traffic management plan that will be put in place for the duration of the construction period will be developed prior to works commencing.
