## Pavement Replacement —Cameron Court (Wattle Street to End)

### PROJECT:

This project provides for pavement replacement works in Cameron Court from Wattle Street to the end of Cameron Court.

The pavement replacement works are being undertaken as a result of inspections carried out as part of Council’s ongoing asset inspection program which identified that the road was showing signs of pavement failure and distress.

### PROJECT ESTIMATE:

\$100,000

### PROJECT SCOPE OF WORKS:

The Project scope is as follows:

- Excavation and earthworks;
- Stormwater drainage replacement;
- Flexible pavement construction;
- Bitumen/asphalt surfacing.

The traffic management plan that will be put in place for the duration of the construction period will be developed prior to works commencing.
