

Pavement Reconstruction — Howard Street, Burrum Heads (Burrum Heads Road to Torbanlea Street)

PROJECT:

This project provides for the full pavement replacement of Howard Street, Burrum Heads from the Burrum Heads Road to Torbanlea Street.

The works will include new kerb and channel on both sides including driveway crossovers.

These works will complete the Stage 2 works planned for the full upgrade of Howard Street, Burrum Heads.

PROJECT ESTIMATE:

\$500,000 (this project is funded through the State Government's Works for Queensland Funding Program)

PROJECT SCOPE OF WORKS

The Project scope is as follows:

- Earthworks
- Pavement Replacement
- New Kerb and Channel
- New Driveway Crossovers
- Road sealing
- Signage and line marking

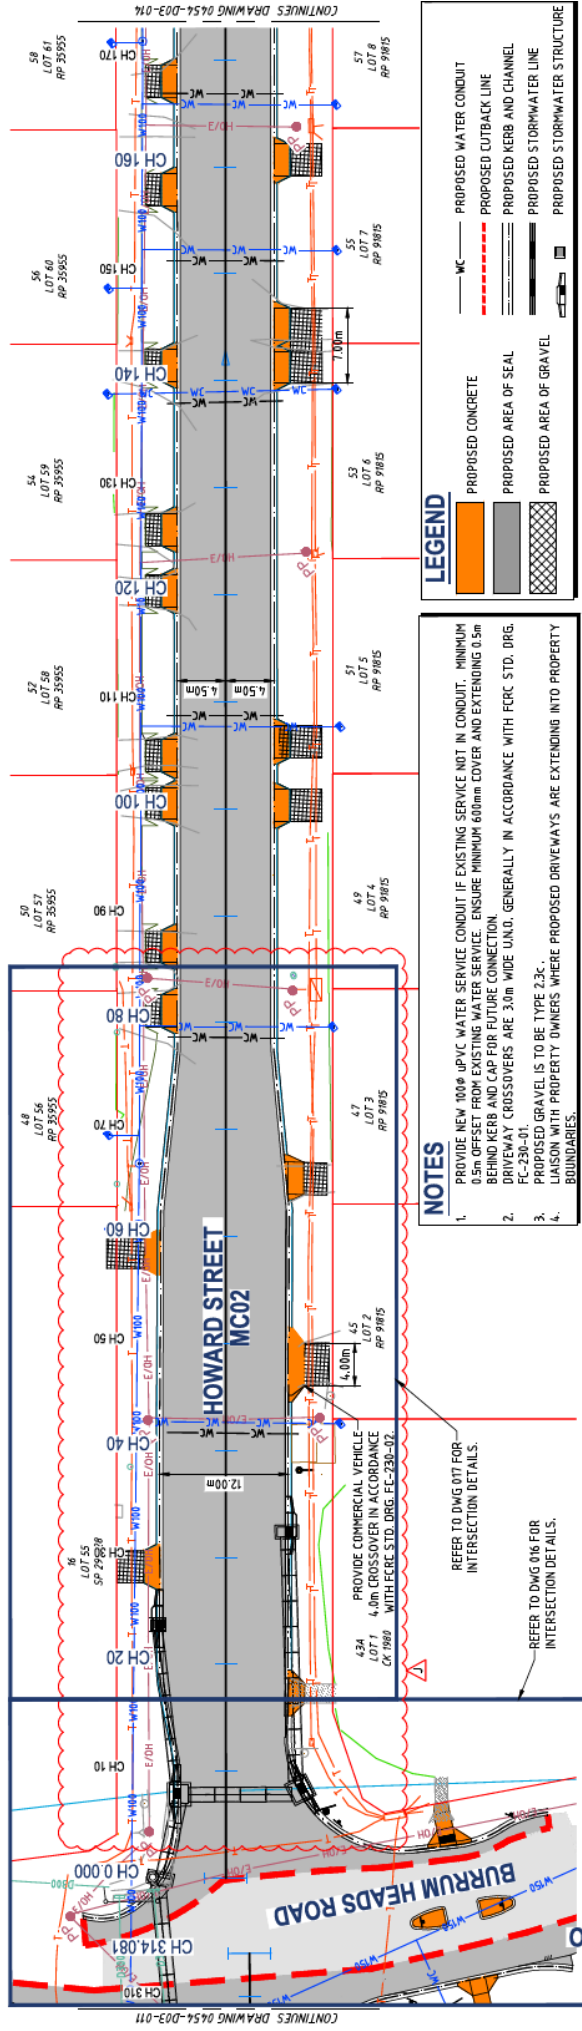

The traffic management plan that will be put in place for the duration of the construction period will be developed prior to works commencing.
