

Festive Fraser Coast Events

GUIDELINES 2024/25

Overview

Intent / Purpose

Fraser Coast Regional Council's Community Grants Policy supports the Goals outlined in Council's Corporate Plan 2023-2028. <https://www.frasercoast.qld.gov.au/corporate-plan>

- To embrace the Fraser Coast way of life and create connected communities through our places, spaces and people.
 - Provide inclusive cultural, sporting and recreation opportunities to encourage community participation.

Objectives of the Community Grants Program

- Provide identified and measurable social, community or economic benefits to the Fraser Coast communities;
- Align with Council's Corporate Plan 2023-2028

This Program is intended to:

- Provide eligible community organisations with support to meet identified community needs;
- Build community skills, capacity and resilience;
- Develop and maintain community infrastructure;
- Provide opportunities for community organisations to leverage Council's assistance to obtain funding from other sources;
- Provide opportunities for community organisations to assist Council to deliver on Council's strategic goals and identified key initiatives

Grant available

The Fraser Coast Regional Council Festive Event Grants are targeted towards community groups and organisations to plan and host a Christmas or New Year's Eve community event between 20 November 2024 and 1 January 2025.

Groups can apply for funding from \$500 to \$2,000 as cash.

Applications will be assessed as part of a competitive process targeting maximum benefits to the wider community.

Co-contribution is not a requirement for this grant program, however projects where the applicant is making financial contribution will be highly regarded.

An unsuccessful application does not mean that the project or activity is not worthy of support. Council's Grants Team can offer support to applicants to strengthen applications for re-submission in future rounds.

Logistics

There will be one funding round per financial year. Events cannot start until a Funding Agreement has been signed by the applicant and Council. Projects and activities are to be completed within the grant eligible project timeline (20 November 2024 and 1 January 2025)

Applicants and grant projects must comply with the Fraser Coast Regional Council Community Grants Scheme Policy and the program guidelines.

Any funds remaining unallocated from a round will be transferred into the Community Grants pool.

Assistance, Assessment and Approval Responsibilities

Council's Grants team is available to provide general advice and guidance to local groups when developing funding applications. It should be noted however that there is no capacity for Council Officers to write and submit applications on behalf of applicants.

Applications will be assessed for applicant and project eligibility by Council's Grants Team. Council's Community Development and Engagement Team will be consulted for input on project relevance to adopted Community Plans and existing work within individual communities or groups of communities across the region. Feedback from other Council Departments will be sought as appropriate.

Applications will be assessed by an Assessment Panel. The Panel will comprise a Fraser Coast Regional Council Councillor, a community representative and a Council officer or other nominated delegate.

Secretariat services to the Assessment Panel are provided by Council's Grants Officer.

The panel will assess applications shortly after the grant round closes and make recommendations. Recommendations of the assessment panel will go to a full Council meeting for approval.

Subsequent rounds will open on the nominated date and after Council approval of the previous round.
