

Moes Road Floodway Replacement

PROJECT:

This project allows for the replacement of the existing floodway located on Moes Road, Walligan.

The floodway replacement works are being undertaken as a result of inspections carried out as part of Council's ongoing asset inspection program which identified that the floodway was showing signs of pavement failure and distress.

PROJECT ESTIMATE:

\$100,000

PROJECT SCOPE OF WORKS

The Project scope is as follows:

- Minor earthworks
- Concrete works

The traffic management plan that will be put in place for the duration of the construction period will allow for a full road closure with local traffic only permitted whilst the works are being undertaken. (refer attached Traffic Guidance Scheme for detail)

INDICATIVE PROJECT MILESTONES

May/June 2021	Construction Period
July 2021	Project Completion

Note: Project milestones are subject to weather and may change.
