Footpath Construction—Miller Street

PROJECT:

This project provides for the construction of a 2.5m concrete footpath on the northern side of Miller Street from the Esplanade to the Boat Club Carpark access.

This project was identified for completion as part of Council’s Active Travel Strategy and will complete the missing section between the Esplanade and the Boat Club Carpark Access.

PROJECT ESTIMATE:

\$80,000

PROJECT SCOPE OF WORKS:

The Project scope is as follows:

- Excavation and earthworks;
- Concrete footpath works;
- Trimming of trees;
- Topdressing and turfing of disturbed areas.

The traffic management plan that will be put in place for the duration of the construction period will be developed prior to works commencing.
