

# Kerb and Channel Replacement—Panorama Drive (Bryant Street to Vista Street)

**PROJECT:**

This project provides for the replacement of the kerb and channel on both sides of Panorama Drive between Bryant Street and Vista Street.

The kerb and channel replacement works are being undertaken as a result of inspections carried out as part of Council’s ongoing asset inspection program which identified that the kerb and channel was showing signs of failure and distress.

**PROJECT ESTIMATE:**

\$707,000

**PROJECT SCOPE OF WORKS:**

The Project scope is as follows:

- Excavation and earthworks;
- Concrete kerb and channel works;
- Replacement of residential driveways (*reinstatement works to be completed in plain concrete only*);
- Subsoil drainage and new road gully units;
- Bitumen and asphalt resurfacing;
- Topdressing and turfing of disturbed areas

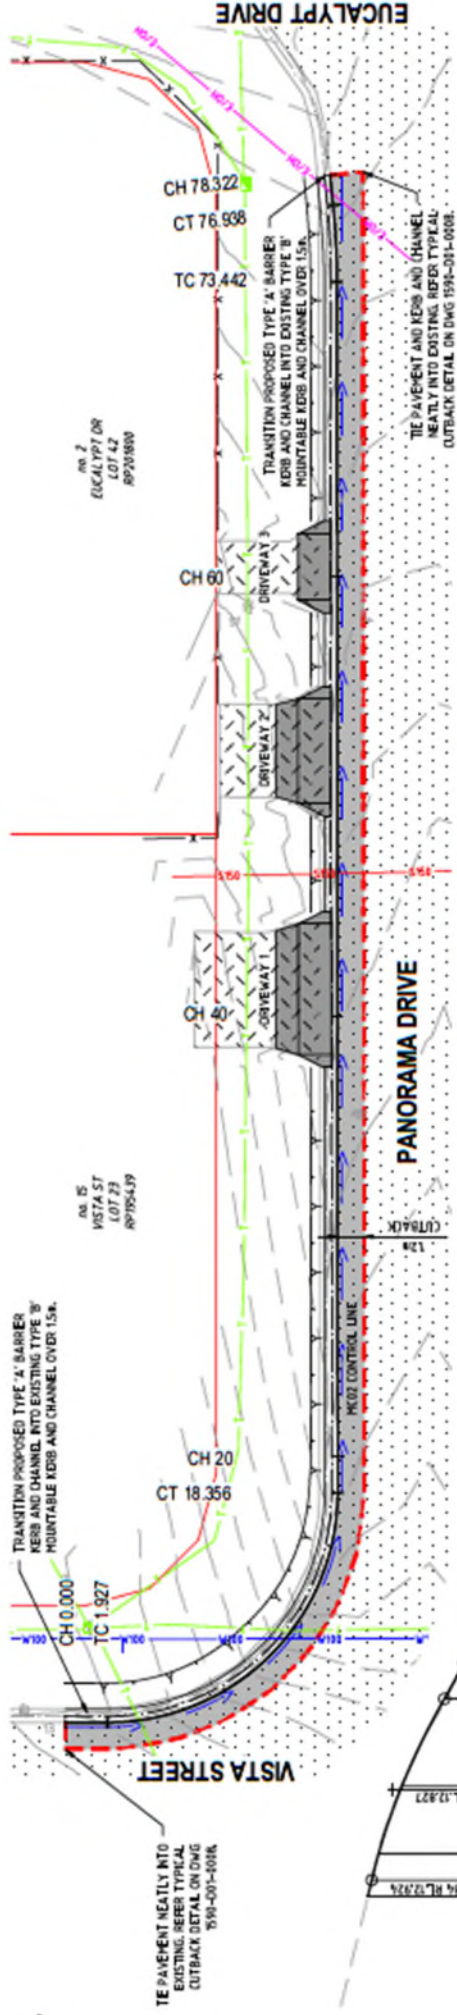

The traffic management plan that will be put in place for the duration of the construction period will be developed prior to works commencing.
