***WARNING:** Batteries & flares should never be put in your wheelie bins. Flares can be disposed of at the Maritime Safety QLD, Buccaneer Ave, Urangan. Big batteries can be dropped at a Fraser Coast Waste Facility and small batteries are accepted at Aldi, Coles, Woolworths and Officeworks.

Unfortunately, the REDcycle scheme is no longer operational. Industry is working hard to identify pathways to create recycling options for soft plastics. Until a solution is found, soft plastics should be put into your red-lidded general waste bin.
