

# FACT SHEET

April 2022

## Fort Street and Albert Street Intersection Upgrade

### PROJECT:

This project provides for an upgrade of the Fort Street and Albert Street intersection including the installation of 2 x new pedestrian refuge islands in Albert Street, 2 x new give way signs in Albert Street, 4 x kerb ramps, linemarking and signage.

The completion of this project will provide for improved safety for users of this intersection.

### PROJECT ESTIMATE:

\$107,500 (this project is funded through the Australian Government's Black Spot Program)

### PROJECT SCOPE OF WORKS:

The Project scope is as follows:

- 2 x new precast pedestrian refuge islands in Albert Street;
- 2 x new give way signs in Albert Street;
- Installation of 4 x kerb ramps;
- Linemarking and signage;
- Restoration Works.

The traffic management plan that will be put in place for the duration of the construction period will be developed prior to works commencing.
