Pavement Rehabilitation Works — Craignish Rd (Hornes Rd to Karraschs Rd) and Hornes Rd (Craignish Rd to Cord Rd Upgrade area)

PROJECT:

This project provides for pavement rehabilitation works in Craignish Road between Hornes Road and Karraschs Road and in Hornes Road between Craignish Road and the Cork Road upgrade area (adjacent to Hervey Bay Quarries property).

These works are being undertaken as a result of inspections carried out as part of Council’s ongoing asset inspection program which identified that the roads were showing signs of pavement failure and distress.

PROJECT ESTIMATE:

\$6.179M (these projects received funding from the Australian Government and is partly funded by Fraser Coast Regional Council)

PROJECT SCOPE OF WORKS

The Project scope is as follows:

- Excavation and earthworks;
- Installation of new pavement material and shoulders;
- Installation of new stormwater drainage culverts, headwalls and aprons;
- Table drain construction including dumped rock protection;
- Bitumen and asphalt surfacing;
- Rural crossover extensions to suit new alignment;
- Pavement marking and signage installation;
- Tree removal;
- Restoration and revegetation works.

The traffic management plan that will be put in place for the duration of the construction period will be developed prior to works commencing.

INDICATIVE PROJECT MILESTONES

July 2022	Final Design
June/July 2022	Tender Period
Sept/Oct 2023	Construction Period
Nov 2023	Project Completion

Note: Project milestones are subject to contract and weather and may change.
