Woodstock Street and Ariadne Street Intersection Upgrade

PROJECT:

This project provides for an upgrade of the Woodstock Street and Ariadne Street intersection including the installation of three pedestrian refuge islands, new kerb ramps, pathway links and linemarking and signage to improve driver awareness.

The completion of this project will provide for improved safety for users of this intersection.

PROJECT ESTIMATE:

\$275,000 (this project is funded through the Australian Government's Black Spot Program)

PROJECT SCOPE OF WORKS

The Project scope is as follows:

- 6 x new kerb ramps;
- 3 x new pedestrian refuge islands;
- Sections of new kerb and channel;
- Linemarking and signage to improve driver awareness;
- Additional street lighting;
- Restoration Works.

The traffic management plan that will be put in place for the duration of the construction period will be developed prior to works commencing.
