

Sectional Road Pavement Rehabilitation – Snapper Street (Doolong Road to 34 Snapper Street)

PROJECT:

This project provides sectional road pavement rehabilitation works in Snapper Street from Doolong Road to 344m north on Snapper Street.

The road rehabilitation works are being undertaken as a result of Council’s ongoing asset inspection program which identified that the road was showing signs of pavement failure and distress.

PROJECT ESTIMATE:

\$750,000

PROJECT SCOPE OF WORKS:

The project scope is as follows:

- Excavation of existing asphalt surfacing and pavement;
- Earthworks;
- Installation of new pavement material;
- Cold milling;
- Asphalt resurfacing;
- Pavement marking and signage;
- Reinstatement works.

The traffic management plan that will be put in place for the duration of the construction period will be developed prior to works commencing.
