

Footpath Construction – Grevillea Street (19 Grevillea Street to 27 Grevillea Street)

PROJECT:

This project provides for the construction of a 1.3m wide concrete footpath on the western side of Grevillea Street between 19 Grevillea Street and 27 Grevillea Street.

This project was identified for completion as part of a missing link on the western side of Grevillea Street.

PROJECT ESTIMATE:

\$56,000 (this project is funded through the State Government’s Transport Infrastructure Development Scheme)

PROJECT SCOPE OF WORKS:

The project scope is as follows:

- Excavation and earthworks;
- Construction of a 1.3m wide concrete footpath on the western side of Grevillea Street between 19 Grevillea Street and 27 Grevillea Street;
- Removal and reconstruction of driveways at 21 and 25 Grevillea Street to meet the new footpath design levels. (*reinstatement works to be completed in plain concrete only*);
- Trimming of vegetation;
- Reinstatement of disturbed areas.

The traffic and pedestrian management plan that will be put in place for the duration of the construction period will be developed prior to works commencing.
