

Every **\$100** of your rates enables Council to deliver a range of services

\$42.70 Maintaining and improving roads, bridges and drainage

\$8.66 Operating libraries and cultural venues such as art galleries and the Brolga Theatre

\$19.14 Managing and maintaining parks, streetlights and foreshores

\$4.35 Animal facilities, community rangers, environmental health

\$13.50 Customer service, community facilities and community support

\$2.49 Economic development and major projects

\$9.14 Development assessment, planning, and property management

Note: Water, sewerage and waste services are funded through specific charges rather than general rates.

Key highlights of Council's 2024/25 Budget

\$103 million for roads, bridges, footpaths, coastal protection, and drainage

\$151 million for water, waste and sewerage

\$46 million for parks, pools and playgrounds

\$15 million for arts and cultural facilities

\$52 million for economic development and major projects
