Food Vendors will be notified of dietary requirements where provided prior to the event and will accommodate these where able. For those with allergies or specific dietary requirements that may not be able to be accommodated for, it is recommended that these participants cater for their own dietary needs on the day.

Please note, alternate or additional participants to those listed on the completed registration form are welcome to attend the training event on the day. However, any dietary requirements for alternate or additional participants may not be accommodated for.

The seminar session will be conducted indoors in the Main Hall. The Practical Field Demonstrations will be undertaken outside with no or limited shelter and it is recommended that participants wear appropriate sun protection for this session.
